

Inventory Control – Customer Service Representative

Job Summary

The Inventory Control – Customer Service Representative will serve in a dual role and will be responsible for processing incoming customer orders, releases, purchase orders and communicating material availability. Provide premier service and sales support, orders and deliveries.

Position Duties and Responsibilities

- Manage the Finished Goods obsolescence claims. Verify claim submittal with support documentation.
- Coordinate monthly meetings with quality, R&D, sales and operations to ensure timely resolution to obsolescence claim.
- Review raw material and WIP inventory turns in order to effectively move product through production cycle
- Participate in bi-annual physical inventory counts.
- Collaborate with the quality department to release products placed on restrictions to determine compliance with customer specification.
- Collaborate with the purchasing department to visually confirm raw material inventory levels.
- Review finished goods inventory for date-sensitive products for expiration and facilitate removal, transfer or billing against a purchase order.
- Coordinate production scheduling with customer service lead to meet expected customer order due date. Assume on-going phone service and internet requests. Respond to email and phone requests from customer's inquiries (re: stock checks, order status, tracking info, ordering memo samples/product cards, etc.).
- Inform customers on availability of material and update spreadsheets for customer review of open orders/requirements.
- Provide customers/carrier with proper custom forms, NAFTA forms, if applicable, packing lists and invoice to customers. Expedite shipments with carriers at best rates and schedule, when required.
- Set up new customer accounts, all 3rd party sample shipments, weekly open order reports for sales, and proforma invoices for the CIA accounts.
- Must comply with IATF and ISO requirements and audits.
- Additional duties as necessary to support inventory management and customer service
